#### Chairman of the Board Statement

## On the Name of God the Most Gracious the Most Compassionate Ladies and Gentlemen:

I have the pleasure to welcome you on behalf of board members and thank your attendance of annual meeting as well as your high confidence in your bank which assured its efficiency locally and regionally.

On behalf of board members ,I am glad to present to you the annual report od the year 2007and the activities done throughout the year. Also we will listen to your suggestions to improve the abnks work forward for 2008. 2007 was challenging due to the bad security situation . All that acted negatively in creating a state of back warding in all kinds of economical activities and that lead to falling back of investments. your bank, however; has achieved a growth rate of deposits rand profits I'd like to refer to the fact that your bank's work, in spite of all difficulties, was so unique in different ways in 2007.

We were interested in improving your bank's activities of which, the opening of The International Operations Management branch for external money transactions and successfully we opened External Documentary Credits and Letters of Guarantees in cooperation with bank's agents and settling new foundations and new technology by SWIFT System fulfill the external bank's work swiftly and more accurately; and using a modern communicating system among the branches of the bank and the outer world .We worked further by implementing an ambitious training program and holding training courses of highly academic experience inside and outside Iraq to enlarge the bank's work . To do that we opened new branches I n Erbil this year an planning to open others in (Kirkuk, Duhok, Hamdaniya, Talkeef and one on the rightbank)

At the end allow me to thank the Central Bank manager and the manager of Companies Register and all other gentlemen worked with them for their productive help with our banks' management.

I also wish to present my gratitude to the bank staff for their work and act in presenting best banking services.

God Bless you All

Qusay Yehya Qasim Chairman of the Board

#### **Money Laundry**

Money laundry has many features which enables specialized branches to distinguish illegal activities that have been dealt in business, and of which:

Opening an account in the bank where clients who opened them claims that he has Merchandise files actually not true, and the illegal way of changing his real work and the monetary operation. The client put lots of money continuously on certain account or if the money moved from unknown client in large number of small notes.

Adding to that the non monetary banking operations where some persons or companies transfer large quantities of money to foreign accounts and vice versa specially when there is unknown banks or by buying fiscal estate or use it for money flow.

The studies shows the dealers of this business are money transaction centers; casinos offshore companies in addition to the role of specialized accountants and fiscal supervisors who played a big role in money laundry by inventing many ways for deceiving. On the other hand modern technology enhanced the increase of money laundry after using the internet for this business., Digital Laundry has been invented which is transferring money through the internet. One of the features of this facility is to ease paying operations for its dealers. In return of that the possibility of hacking increased.

To execute money laundering law of 93 in 2004 and the Central Bank of Iraq articles, the Mosul bank decided to form Money Laundry Unit according to the article no 1044 on 12/4/2007 which fulfill the following things according to the instruction of the Central Bank of Iraq concerning this subject. The manager in charge is responsible for coordinating with this unit in the Central Bank of Iraq and supervising money laundry in our bank and supervising money laundering in the other branches.
